

# TRANSPORTATION AUTHORIZATION

The undersigned hereby acknowledges and understands that East Side Union High School District is not providing transportation to voluntary school-sponsored activities.

As parent/legal guardian, I hereby authorize and give permission for my son/daughter \_\_\_\_\_, to ride as a passenger in a vehicle driven by another person and/or student or to provide his own transportation in a self-driven vehicle.

The undersigned acknowledges and understands the driver is not driving on behalf of, or as an agent of, the District. Further, the undersigned understands the District has not verified the driving record of the driver or the mechanical condition of the vehicle.

It is fully understood that the District is in no way responsible, nor does the District assume liability, for any injuries or losses resulting from this non-District sponsored transportation. Although the East Side Union High School District may recommend travel time, routes, caravanning or assist in coordinating the transportation to or from this event, I fully understand that such recommendations are not mandatory.

I, the undersigned, further understand that under certain circumstances, the District may occasionally provide District sponsored transportation to an event but not necessarily return transportation from the event. Should this transportation be offered, it is strictly voluntary.
